Current Employment Opportunities: OFA is always searching for valuable people to complete our team of dedicated staff. If you know of someone, who wants to make a difference, send them in to complete an application.

Quote of the Quarter: "If the T.V. set & the refrigerator weren't so far apart, some of us wouldn't get any exercise at all."

Remember, it's only 4 months until summer....get yourself into a better state of being. Bundle up & take the kids & pets for a daily walk!

Company Celebration.....

As the old year comes to a close, once again, we celebrated a day of fellowship with each other in our annual Holiday Get together on Wednesday, December 24th.

We had a delicious buffet of sandwiches and desserts, and of course, some eggnog to drink!

Debbie Clark organized some fun games, with prizes for the winners. Vernon Long, CEO, presented his employees with pins for achievements and excellence and an annual bonus for all.

Gifts were exchanged between coworkers, and friendship was shared.

An integral part of Opportunities For All has always been family. As we begin to venture into another year, the family will grow as our services do. We are always searching for people who enjoy a challenge. Our mission is opportunities for all, and our goal is to provide excellent service to all of our customers.

As we begin the new year, we are optimistic that our economy will improve, and many job opportunities will develop. Having a positive outlook is contagious! Be that positive person, & make a difference!

Happy New Year!

Expanding Our Services Again.....

Opportunities For All has officially been approved as a Temporary Employment Agency. Many of the referrals that we receive can benefit from this added service that we now offer. Our Employment Staff is gradually recruiting companies, that regularly utilize temporary employees. A database will be developed, & be accessi-

ble to all who are interested. Eventually, we will be able to provide employers with productive people seeking short & long term temp assignments.

Of course, we will continue to receive referrals from all of the local DVR offices and the One Stop Career Center. Our new program, 'Another Chance' is rapidly growing. We are receiving referrals weekly from

CEO, Vernon Long

Debbie Clark Vernon & Mom

The Long family

The One Stop Career Center in Trenton. These clients have barriers, but are highly motivated to secure gainful employment, & be productive within their communities.

As we enter a new year, we pray that our new President will promote economic growth within our State and country.
